MAKE YOUR OWN RADAR CHART

THE RADAR CHART OF YOU

(on a scale of 0 - 5, how U is this??)

shitposting · hardcore · feelings · relationships · ???? · justice · bike · occult · food/drink · scared

MAKE A GRAMMAR ABOUT U

```
"origin": "I am a #role# #verbing# with #tool# in #location#, and sometimes I do #hobby#",
{
  "role": [                                ]
  "verbing": [                             ]
  "tool": [                                ]
  "location": [                            ]
  "hobby": [                               ]
}
```
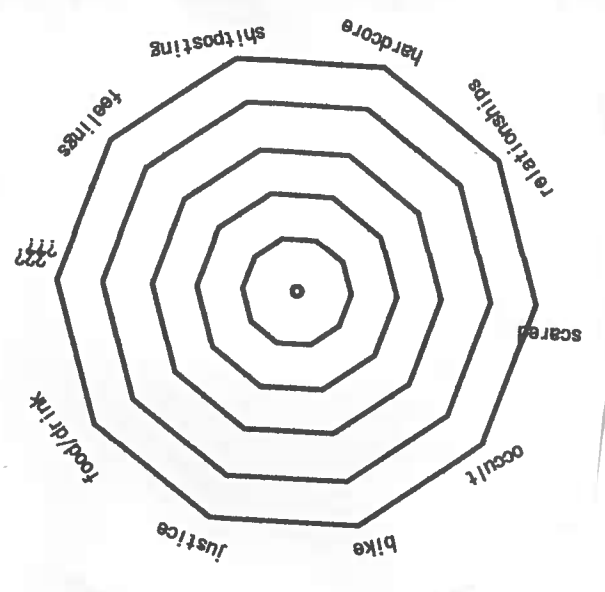

The following page is a skeleton for creating a grammar that generates a sentence about you and what you're currently up to, written in Tracery.

Tracery is a JavaScript library for random text generation developed by Kate Compton.

Filling out the code on the opposite page will give you the start to an introduction, or a start to an art bot! :)

For more info on Tracery, check out *tracery.io*

ABOUT THE ICEBREAKER ZINE

i'm dee (they/them)

@scumbling@mastodon.social
http://scumbling.fun <-- digital
version of
the zine here

i made this zine for xoxo 2018 bc i wanted to find a way to doodle my way into your hearts<3 jk i thought this would be a comfy+easy way to start conversations, and i want to make everything comfy+easy

i extremely acknowledge that this zine doesn't represent everyone!!!! please don't own me

thank u tim (@objelisks) for proofreading + support :c)

ICE BREAKER ZINE

a zine for starting convos

i am

_____
(name)

_____
(pronouns)

ICE BREAKER ZINE
